FFA to honor Homedale's Evans for lifetime of contributions

A Homedale resident who has a long history in FFA will receive the organization's highest honor next month.

Clara-Leigh Evans, who is the FFA Idaho executive director, has been nominated to receive the National FFA Honorary American Degree during the annual convention in Indianapolis.

The American Falls FFA

chapter nominated Evans, and the Idaho FFA Board of Directors signed off on the idea

The National FFA group also nominated Evans in recognition of her service to that part of the organization.

"I greatly appreciate those who support my work and our family," Evans said.

According to the national FFA, the award is given to

those who advance agricultural education and FFA through outstanding personal commitment.

"The National FFA Organization works to enhance the lives of youth through agricultural education. Without the efforts of highly dedicated individuals, thousands of

South Board boss: Irrigation water to cease Oct. 13

Irrigation water flowing from the Owyhee Reservoir and pumped from the Snake River will be shut off on Friday, Oct. 13.

Three days before the shut-off date, the men who govern the southern portion of the Owyhee Project irrigation system will hold meetings.

Tuesday's meetings will be the final set of nighttime confabs in 2023. The South Board

of Control, Gem Irrigation District, and Ridgeview Irrigation District boards of directors will meet on the second Tuesday afternoon of the month beginning in November.

Next week's meeting schedule:

Homedale library board vacancy to be filled

The fledgling Homedale Library District board of trustees will fill a vacancy soon.

Mil Shanley, who was first appointed then won an uncontested election to represent the unincorporated part of Owyhee County, will move out of the district.

She announced her plan to resign during the trustees' Sept. 11 meeting, according to Gypsy Jackson Memorial Library director and board secretary Sharla Jensen.

Longtime library patron Jill McKerrow will be appointed and take the oath of office as

Shanley's replacement during the board's meeting later this month.

"We are declaring the vacancy at the next board meeting and have picked a new trustee but not appointed them yet," Jensen said.

"They will be appointed at the next board meeting and sworn in then."

McKerrow and her husband own Freedom Carpet Cleaning, Jensen said.

If appointed, McKerrow will serve as an interim director until the next election in 2027.

BOCC changes road name for uniformity

Pleasant Valley Road will disappear from legal references

A road in southwest Owyhee County that has had three different names for decades is now known as Trout Creek Road.

County commissioners passed Resolution 2023-37 on Monday, paring the name of the Pleasant Valley Road/Trout

Creek Road/Yturri Boulevard down to Trout Creek Road.

Landowners and residents along the rural road were contacted by mail for their input. About 15 people were

School Talks to tackle fentanyl concerns

Owyhee County Sheriff Larry Kendrick will make a fentanyl awareness presentation at the next Bruneau-Grand View School District “School Talks” open forum.

District superintendent Jeff Blaser said the topic “The Fentanyl Concerns in Our Community” was developed after school administrators met with Kendrick in September to discuss concerns about drug use and the potential effects fentanyl could have on families and students.

The next School Talks forum will take place from 6 p.m., to 7 p.m., next Wednesday inside the Rimrock Jr./Sr. High School auditorium, 39678 State Hwy. 78, in Bruneau.

“The fentanyl community project we are holding during our October School Talks program is a worthy undertaking,” Blaser said. “The school district appreciates the passion Sheriff Kendrick has for eradicating illegal drugs from Owyhee County. We are thrilled to partner with Sheriff Kendrick on Oct. 11, and welcome all who can attend.”

For more information, email Blaser at jblaser@sd365.us.

Homedale PTO plans fundraiser in Canyon

Former Homedale School District employees are opening their property for a Homedale Elementary PTO fundraiser.

Flaming Acres Farm, which is owned by former high school principal Dion Flaming and former student services specialist Debbie Flaming, will be the locale for the Fall Festival from 5 p.m., to 8 p.m., on Thursday.

There will be raffle baskets as well as other fundraising vehicles.

Admission is \$5 per person and \$20 per family. A potato bar (\$5), walking tacos (\$2) and water and soda (\$1 each) will be available.

Only cash will be accepted. In addition to food, there will be a petting zoo, zip lines, a jump pad, cow train, jungle gym and games.

Flaming Acres is located at 20046 Lower Pleasant Ridge Road outside Caldwell and southeast of Greenleaf.

From Homedale, take U.S. Highway 95 to Idaho highway 19 through Greenleaf. Turn south of Weitz Road and east on to Lower Pleasant Ridge Road

young people would not be able to achieve the success that, in turn, contributes directly to the overall well-being of the nation,” the organization states in the press release announcing Evans’ honor.

The Honorary American FFA Degree is an opportunity to recognize those who have gone beyond valuable daily contributions to make an extraordinary long-term difference in the lives of students, inspiring confidence in a new generation of agriculturists.

Evans will receive a plaque and a medal during the 96th National FFA Convention and Expo on Friday, Nov. 3 in Indianapolis.

Evans is married to Oscar Evans, and she says that FFA helped bring them together nearly 30 years ago.

While serving as National FFA vice-president in 1995-96, she spoke at the Texas Farm Credit Bank annual meeting and board. Oscar’s father was in the audience.

She and Oscar wrote letters to one another as she traveled as a National FFA officer and Oscar was deployed on the USS Enterprise, flying F/A-18 jets in the Mediterranean and Persian Gulf.

Once they finally met in person, the couple dated for three months, spent six months engaged, and now they’ve been married for 26 years.

Both their daughters, Ainslee and Ashleigh, participated in Homedale FFA before moving on to the University of Idaho. The couple also has a son, Garrett.

Evans also helped teach agriculture at HHS and served as FFA advisor for one year about a decade ago.

The Honorary American Degree is the highest honorary degree Evans has received.

The current FFA Idaho executive director holds Honorary State Degrees from three states and received the American FFA Degree when she was a member during her high school years in Alabama.

She served as the 1995-96 national vice president.

✓ Irrigation: Reservoir still 50 percent full

7:15 p.m.

- The South Board of Control — comprised of the entirety of the Gem board and the Ridgeview chair — will meet at 7:30 p.m.

All three meetings take place inside the South Board of Control boardroom at 201 W. Wyoming Ave., in Homedale.

Call the SBOC office at (208) 337-3760 for more information.

Late last week, South Board manager John Eells confirmed that the Owyhee Project governors (South Board of Control and the Owyhee Irrigation board) decided to end the flow of water for the 2023 irrigation season on Oct. 13.

Eells was pleased at how the water year unfolded.

“It went way better than I expected,” he said. “When spring started, I figured we were going to run that reservoir almost out. Looks like there will be over 300,000 (acre-feet) in it.”

Eells isn’t ready to look to the winter, except to point out that crews will carry out general maintenance once the ditches are dry. No “major” projects are planned, he said.

The reservoir was 50 percent full Monday, holding 360,167 acre-feet. The 715,000 acre-foot capacity for irrigation purposes generally constitutes two full water years (at 4.0 acre-feet allotments).

contacted, but there was no public hearing.

Dist. 3 Commissioner Cindy Bachman motioned to table the issue because the letters sent out by the assessor’s office said the item on Monday’s agenda would be a public hearing.

However, prosecuting attorney Christopher Topmiller said the issue didn’t require a hearing. Bachman’s motion died without a second.

“However, if there is opposition then we should do this right,” Topmiller said.

One affected resident opposed the idea, which was triggered when two other residents made a road name change request to the county community development department.

Rancher Dennis Stanford, who lives on the portion called Pleasant Valley Road, told commissioners that the proposed road name change could cost him thousands of dollars in legal fees to change his street address on legal documents.

Changing the name has apparently been an issue for nearly 25 years after a Minnesota company was hired to map the county in preparation for a 911 addressing project.

Pleasant Valley Road became known as Trout Creek Road through that process.

Yturri Boulevard comes out of Jordan Valley and across the line to become what was Pleasant Valley Road.

“It seems sad to me that it was Pleasant Valley Road and it didn’t get to stay Pleasant Valley Road when we did the 911 addressing,” Bachman said.

Dist. 2 Commissioner Kelly Aberasturi also seemed to balk at the idea of the change.

“This is where I have difficulty with government,” he said. “I just don’t think the government can arbitrarily decide to spend taxpayer money just to change a road.

“I don’t think government has the right to come in and cost you more money.”

The name change vote was unanimously in favor.

Assessor Tiffany Nettleton pointed out the change won’t be as simple as new signs and alerting the Idaho Transportation Department.

“Changing this address in this day and age when there are so many electronics and so many GIS systems that rely on it, it so much more complicated to change an address,” she said. “It’s not as simple as

calling your insurance agent.”

Nettleton said most of the county’s documents refer to the road as Trout Creek Road although older topographical maps and the Google search engine refer to it as Pleasant Valley Road.

When county commissioners decided to abolish all roads about 70 years ago, the road from Murphy, through Silver City to Jordan Valley was listed as “Road No. 4.” There was no specific name, Nettleton said after researching old BOCC meeting minutes.

Nettleton pointed out that even as the commissioners officially change the road name, it may take a long time for online navigation software to catch up, so Google Maps and Map Quest programs may still list all three road names on the 1.1-mile stretch from the Oregon border into Owyhee County.

“I understand the opposition, and because it’s been that address for so many years that I understand the need for the road to be Trout Creek Road, but I also understand the opposition and that historically it has been Pleasant Valley Road,” Bachman said.

Homedale FFA starts year with district title

*Submitted by
Kennedy Kildow
Chapter reporter*

Homedale FFA has had a great start to the 2023-24 school year. This year is going to be full of lots of fun and successful events for the chapter.

The chapter has started off the year with an amazing opportunity for our members.

So far we have already participated in several events such as the Canyon County Fair and Owyhee County Fair.

On Monday, Sept. 11, we hosted our annual Welcome Back to School BBQ. We used the barbecue as the perfect opportunity to have our first official FFA meeting of the new school year. Our newly elected officers got the chance to have their first opening and closing ceremonies. We handed out all of our travel paperwork as well as yearly calendar of events. We had more than 50 members and parents present, and we served 75 plates of food. We appreciate all the support we have received from everyone that made it a priority to come out.

On Wednesday, Sept. 13,

we attended the Treasure Valley District Dairy Cattle Evaluation field day and Career Development Event in Marsing. Homedale FFA had 35 members and students travel and compete. Homedale won the dairy evaluation district championship and had three of its 10 individuals place. We had booths there to provide extra information and make the most out of our day.

One of our locals, Sarah Beaver with BASF Nunhems Seed, hosted one of the booths at the Dairy CDE, and we could not be more appreciative for the information she provided to our students.

Congratulations to the 179 participants that attended the District Dairy contest. Thank you to Van Es, Simplot, WSI, and DFA for feeding all the students at the event.

On Thursday, Sept. 14, we were graced with Josiah Knapp and Kamille Mirkin, State FFA reporter and sentinel. They did an outstanding job allowing Homedale Ag students to participate in workshops regarding FFA and Ag Development Events.

Marsing students can receive free dental sealants

- | | |
|---|--|
| Delta Dental of Idaho’s Grins on the Go program is traveling to Marsing Middle School. Free sealants and fluoride varnish begin Monday and could be available through Thursday, Oct. 12 if enough children take advantage. Sealants fill the deep grooves of a child’s back teeth where 90 percent of cavities occur in children. The varnish helps protect the smooth surfaces on children’s teeth. Only Marsing Middle School | students are eligible. A health history and permission form, available at the school, must be filled out. The Grins on the Go clinic does not bill Medicaid or private insurance. There is no cost associated with this program. For more information, call Delta Dental Community outreach at (866) 894-3563. Delta Dental of Idaho will bring its Grins of the Go clinic to Homedale Elementary School in May. |

Homedale girls seal district soccer No. 2 seed

Kildow’s hat trick
helps take care
of Payette

Three different attackers scored goals in the first 10 minutes Thursday as Homedale High School set up a big

girls’ soccer showdown.
Karlie Kildow started her hat trick with a goal in the fourth minute as the Trojans demolished Payette, 5-0, in a 3A Snake River Valley conference game on the Pirates’ pitch.
The victory more than likely locked up the No. 2 seed in the 3A District III Tournament for coach Shelby

Nicoletti’s squad.
The team (6-1-2 overall, 4-1 in conference before Tuesday’s Senior Night against 3A SRV leader Fruitland) most likely will play host to a tournament semifinal next Tuesday against the winner of Saturday’s play-in game between Weiser and McCall-Donnelly.

Tuesday’s semifinal would be held at 5 p.m., but it’s unclear if the game would be played at Deward Bell Stadium. The tournament champion will advance to the 3A state tournament, and the runner-up will compete in a State play-in game on Saturday, Oct. 14.

Trojans spar with Payette in tune-up for Weiser

Sr. Night win may mean another 3A SRV title

Another easy victory in hand, Homedale High School’s football players won’t be allowed to get complacent.
The Trojans trounced Payette, 48-0, in Friday’s 3A Snake River Valley conference game on the Pirates’ field.
Now, Homedale takes aim at one of the biggest challenges to its five-year run as 3A SRV champion.
For Senior Night on Friday, the Trojans will play host to Weiser in a battle for first place in the conference.
Both teams are unbeaten after six games this season, and each owns a share of the 3A SRV lead after two victories apiece.
The Wolverines last visited Deward Bell Stadium on Nov. 12 when Homedale reached another 3A Milk Bowl state championship game with a 35-7 demolition of Weiser in the semifinals.

Homedale JV piles up yardage, points vs. Payette

Not to be out-done by the big boys, the Homedale High School junior varsity blasted Payette in a conference football game Thursday.

The only thing that stopped the Trojans' offense at Deward Bell Stadium was the halftime buzzer in a 61-6 3A Snake River Valley conference thrashing.

Homedale (6-0 overall, 2-0 in conference) led 14-0 after running just two offensive plays.

Xavier Uranga fired a 34-yard touchdown pass to Chance Martell, and — after

Grady Walgamott recovered Alan Cox's fumble at the Payette 20 — Javid Blewett ran in for the second TD.

Blewett rambled another 45 yards and Uranga hit Lukas Hall with a 30-yard scoring pass to put Homedale up, 27-0, after 12 minutes.

Half of Uranga's eight completions went for touchdowns as he racked up 218 yards through the air before giving way to his backup — Boston Garrett — in the third quarter.

Martell caught another TD pass — from 17 yards out — in the second quarter, and Lukas Hall caught a nine-yard scoring pass in the third quarter.

Martell had three receptions for 64 yards, and Alec Campos was the Trojans' leading receiver with 84 yards on two catches. Like Martell, two of Hall's receptions went for touchdowns, and he finished with 70 yards.

Blewett rolled up 127 yards and three TDs on just four carries. He scored on a 45-yard run in the first quarter and covered 52 yards in the third.

Nick Schlenker scored on a 28-yard run in the second quarter, and Garrett's two-yard

keeper ended the scoring in the fourth. He had 63 yards on the ground.

Homedale dominated Payette, racking up 460 yards total offense while the defense held the Pirates to just 146 yards — all but 15 on the ground.

Tyce Fisher helped out on seven tackles and had two solo stops to lead the Trojans' defense.

Martell had three solo tackles — two for losses — and three assists, while William Dunn had two solo stops and four assists. Jace Clover posted four assists.

Homedale volleyball sails into 4th place behind serves

A dominant service game helped Homedale High School attain fourth place in the 3A Snake River Valley conference volleyball standings.

Senior outside hitter Zayne Hall's three aces were part of a back-line attack that anchored the Trojans' 25-18, 25-19, 25-15 win on the road against conference foe Payette.

Homedale (6-6 overall, 2-3 in conference before Tuesday's home contest against 3A SRV leader McCall-Donnelly) surged ahead of Parma in the race for the No. 4 seed in the 3A District III Tournament.

The Trojans powered 13 aces against the Pirates (3-7, 0-6 at week's end), and the hits kept coming as Hall drilled a co-team-high five kills, too.

Kierstley Roseborough notched five kills, and Olivia Asumendi spiked four balls. Asumendi and Kinlee Garrett had blocks.

Lilly Relk (11 assists) and Asumendi (nine) paced the setters.

Hall (11 digs) and Garrett (10) handled the defense, while Asumendi reached nine balls and Relk eight.

Sept. 25: Weiser def. Homedale, 3-0 — The host Wolverines' sweep maintained a second-place tie with Fruitland and ended the Trojans' hopes of moving up the ladder.

Garrett recorded eight kills in Homedale's 25-16, 25-15, 25-20 conference setback. Roseborough blasted seven kills, and Asumendi added five.

Hall, Roseborough, and Asumendi each delivered a block, and Roseborough also got an assist.

Roseborough also recorded two aces.

Relk led the team with 14 assists, and Asumendi set 10 balls.

The team's defense was active with a 70.1 percent success rate. Garrett converted 13 of 15 dig attempts, while Isana Larzelier had 12 digs, and Lexi Heck had 11 digs. Hall reached nine balls.

Huskies hang with conference leaders until 4th quarter

NC uses defense to pull away, end Marsing’s streak

Marsing High School is running the gauntlet of the 2A Western Idaho Conference. The Huskies saw their three-game winning streak end Friday on the road with a 24-8 setback against conference leader Nampa Christian. On Friday, Marsing will play host to Melba in a Senior Night showdown that could decide the Huskies’ playoff future. Kickoff is at 7 p.m., and the Mustangs come in as the fourth-ranked Class 2A team in the Sept. 19 statewide media poll. Neither Nampa Christian nor Marsing are in the rankings, but the two squads battled like it was playoff time early

in their big game during the Trojans’ Homecoming week. The Huskies (4-2 overall, 1-1 in conference) used defense to keep the game from getting out of control early. With the Trojans leading, 6-0, on quarterback Aiden Thompson’s 62-yard touchdown pass, Marsing found itself scrambling. Nampa Christian (4-2, 2-0) got the ball back on Marsing’s 36-yard line with less than five minutes to go in the first quarter. But the Trojans were unable to score because of the Huskies’ defense. In the second quarter, Marsing survived a potentially disastrous situation when Nampa Christian created a 1st-down-and-goal opportunity at the Huskies’ 1. Marsing stuffed two attempts to get in the end zone, and the Trojans found themselves fac-

ing 4th-and-goal from the 18 after the snap from center sailed over Thompson’s head. Dylan O’Brien booted a 28-yard field goal for a 9-0 lead. But Marsing didn’t wilt under the glare of the Trojans’ Homecoming lights. Less than three minutes before halftime, Mason Enochson pushed the Huskies to within one point, 9-8, when he caught Jace Chadez’s seven-yard touchdown pass then ran in the two-point conversion. Marsing’s defense continued the bend-don’t-break trend as the clock wound down to the intermission, forcing O’Brien to nail another field goal with less than a minute left. The Trojans clung to a 12-8 lead at halftime. Nampa Christian widened its lead to 18-8 with less than three minutes left in the third quarter when Matthew Nevarez scored

on a three-yard run. O’Brien missed the point-after to close a drive that was assisted by a Marsing pass interference penalty in the end zone. The Huskies had another shot at the end zone on the ensuing drive, taking the ball to the Nampa Christian 10-yard line before the possession stalled. Marsing kept the pressure on when special teams pinned Nampa Christian at its own 1-yard line after a punt. The Huskies’ final chance at turning the momentum ended when Hunter Hafer picked off a Cache Hance pass at the Nampa Christian 38 midway through the final period. Hafer put the finishing touches on the Trojans’ victory when he returned Hance’s second interception of the quarter 40 yards for the game’s final touchdown.

Senior running back Xyon Fleary was again the Huskies’ leading rusher, picking up 80 yards on 19 carries. The rest of the Marsing attack managed just eight yards on the ground. Thompson rushed for 100 yards on 11 carries to lead the Trojans. He completed nine of 19 passes for 130 yards and a touchdown to Tyler Szilagyi. Chadez connected on 10 of 18 passes for 69 yards. Luke Steinmeyer had the longest reception of the night as his only catch went for 31 yards. Steinmeyer led the defense with five solo tackles, including one behind the line of scrimmage, and five assists. Chadez counted a tackle for loss among his three stops. Troy Smith and Gavin Patterson posted seven tackles apiece, and Caleb White added five.

Veteran, first-year runner highlight Rimrock effort

Two Rimrock High School runners continued to peak at the Burley Hope Run Invitational on Friday. Loyd Boren ran a sub-17-minute five kilometers for the third consecutive race at Kasota Park in Heyburn. The senior finished 22nd in the boys’ meet in 17 minutes, 48.7 seconds.

Boren’s penchant for improvement rubbed off on teammate Dylan McNeley. He finished 75th in 19:46.5. The freshman ran under 20 minutes for the second straight meet and missed the personal record he set during the Sept. 23 Bob Firman Invitational by six seconds.

Another senior leader, Goya Lemus, was 35th in the girls’ 5K in 22:20.9. Freshman Lainee Raymond crossed the finish line 50th in 23:29.3. Other girls’ results: • Mariel Juarez, fr., 68th in 24:14.7 • Ashten Moore, sr., 70th, 24:20.2 • Samantha Elizarraraz, sr., 87th,

31:15 • Juana Lemus, so., 88th, 31:52 Boys finishing behind Boren and McNeley: • Kolton Jewett, so., 84th, 20:05.3 • Crew Merrick, fr., 93rd, 20:27.4 • Carson Raymond, jr., 94th, 20:32.6 • Ronaldo Gomez, jr., 107th, 23:41.8

✓Trojans: Top offenses, defenses square off in Senior Night showdown

The Wolverines knocked off Sugar-Salem, 34-33, in double overtime for the 2021 state championship.

“As we look forward to Senior Night, we are excited for the opportunity to play one of the top teams in the state in Weiser,” HHS coach Matt Holtry said.

“They are well coached and they have some talented players, so it will make for a great game under the lights at Deward Bell Stadium.”

In the Sept. 19 Class 3A state media poll — the last ratings released before press time — Homedale was ranked No. 2 and Weiser was No. 3. Sugar-Salem still stands as the top-ranked team in the state.

According to MaxPreps, Weiser is averaging 44.2 points per game, and Homedale is averaging 50.7 points. On defense, the Wolverines are allowing 11.5 points per game, while the Trojans are even stingier at 9.3 points per game.

“We knew that Weiser was going to be a solid team this year and that when our programs met at this point it was very likely to be under the circumstances that are presented this week,” Holtry said.

Homedale is chasing its sixth consecutive conference title, and a win Friday will go a long toward the quest. If the Trojans beat the Wolverines, it will mark the team’s 28th consecutive 3A SRV victory and the 108th win of Holtry’s 15-year HHS career. He trails only Jim Macmillan on the wins list.

Holtry said the Trojans started sluggish at Harmon Killebrew Field against the Pirates.

“Our players came out a little slow, but they stepped up their game and executed well throughout,” he said. “There were some things that we identified that needed to be addressed going into this coming week, so the game served us well.”

Payette rolled up 87 yards in its first two possessions but managed only 33 total yards in its next five drives.

Overall, it appeared the Homedale defense was up to its old tricks.

Dillon Fine picked off Darrien Pecunia’s second pass of the night to end Payette’s first possession.

Middle linebacker Brock Walker returned a Pecunia interception 23 yards for a touchdown to complete Homedale’s scoring in the third quarter.

After Walker’s interception, Payette had two more possessions, but both drives ended with the Pirates turning over the ball on downs.

Payette still managed 181 yards rushing, but the passing game was virtually non-existent. Sebastian Larzelier, Brodie White and Caden Layne all sacked Pecunia, who completed just three of 12 passes for 39 yards.

The Trojans were able to maintain determination despite the early struggles, and Holtry says that bodes well for Friday’s showdown.

“I am very proud of this group of players and how they have remained focused throughout the season,” Holtry said.

“This week will be a true test to their ability to rise to a championship level of play, and I am excited to see how they react to the challenge at hand.”

The Trojans’ offensive linemen rarely allowed Payette to test Fine, who completed 12 of 14 passes for 270 yards. He threw four more touchdown passes, including an 85-yarder to Rafael Cuenca to shock Pirates fans in the first quarter.

In six games, Fine has 23 touchdown passes.

Against the Pirates, the senior also connected with Cuenca on a 10-yard pass in the second quarter and hit Oklin Carson (25 yards in the second quarter) and Danny Lomeli (11 yards in the third quarter) with scoring strikes.

Andrew Marston found the end zone two more times, running to pay dirt on a five-yard scamper for the game’s first score then taking the ball in from nine yards out in the second quarter as HHS built a 34-0 halftime lead.

Marston finished with 51 yards, while junior varsity swing player Nick Schlenker rushed for 49 yards on two carries.

Cuenca hauled in three passes for 127 yards, and Lomeli caught five balls for 74 yards.

Homedale rolled up 419 yards on just 30 offensive plays covering about 15½ minutes of possession time.

Walker’s defensive performance also included a team-high 11 tackles with six solo stops. Larzelier led the team with six assists, and Ashton Zabriskie stopped four ball carriers on his own.

✓Soccer: Hometown defenders doing the job

In the Trojans’ win over Payette, Jacqueline Zavala had the pass on Kildow’s first goal then the senior returned for a score of her own on Kildow’s pass in the eighth minute.

Homedale led, 3-0, after Morgan Nicoletti’s unassisted goal at the 10-minute mark.

Kildow also scored in the 21st minute, giving the Trojans a 4-0 lead at halftime after converting a pass from Mattea Dimick.

Kildow capped her second three-goal game of the season in the 73rd minute with an unassisted tally.

Homedale used a goalkeeper-by-committee approach for the shutout with starter Kennedy Kildow sidelined with an illness.

Four goalies — Tiana Sorenson, Karlie Kildow, Stella Heck, and Belen Asumendi — were virtually unchallenged. In fact, only Asumendi came away with a save.

Homedale has five clean sheets (shutouts) this season. Through the game with Payette, the Trojans had been scored upon only twice in the conference season. The Trojans surrendered only eight goals in its first nine games, the stingiest defense among 3A SRV teams.

The Trojans grabbed second place in the 3A SRV heading into Senior Night against conference leader Fruitland on Tuesday after deadline. The Grizzlies are the only team to beat Homedale this season.

Sept. 25: Homedale 3, Baker/Powder Valley (Ore.) 0 — Kennedy Kildow went unchallenged again as the Trojans’ defense didn’t allow a shot on goal in a non-conference win at Deward Bell Stadium.

Leading goal scorer Karlie Kildow found the back of the net once in each half to lead Homedale’s defense.

She scored in the 11th minute off a pass from Zavala, and got Homedale’s final goal on Dimick’s assist in the 52nd minute.

Homedale owned a 1-0 lead at the break. Dimick’s unassisted goal in the 47th minute doubled the advantage.

Baker/Powder Valley goalie Oakley Anderson had three saves.

Huskies register first 2A WIC volleyball win

Marsing stumbles in key showdown

Amy Chadez emptied the bench Thursday as Marsing High School collected its first conference volleyball win.

Raylynn Vanosdall capped a big week by hitting 25 of her 26 serves. Her eight aces were a big factor in the Huskies’ 25-18, 25-18, 25-19 victory over North Star Charter in Eagle.

“We were able to play all nine players,” Chadez said. “It is always nice to have an opportunity for girls who receive less playing time to have an opportunity to gain more minutes on the court.

“Not only is it fun for them, it is fun for our team as a whole to encourage them and see them making some successful plays.”

Growing depth could be important this week. Marsing (5-6 overall, 1-2 in conference at week’s end) will continue a busy 2A WIC week on the road today against Compass Charter in Meridian and on Thursday at Nampa Christian.

Ashlyn Porter dished 12 assists from her setter spot.

Adyson Chadez had a hand in offense and defense. She shared the team lead with Lilly Thoene with four kills each, and came away with 10 digs.

Bailey Daugherty notched two blocks.

Sept. 26: The Ambrose School def. Marsing, 3-0 — The fourth-place Archers pushed the Huskies into fifth place with a 25-11, 25-18, 25-17 2A WIC win in Meridian.

“We struggled to implement our defensive game plan against Ambrose,” Amy Chadez said. “They took advantage of our lack of energy, and we did not make it much of a game.”

Four servers — Vanosdall, Porter, Asia Carrillo and Adyson Chadez — put in all of their attempts.

Chadez and Vanosdall put down four kills each.

Porter powered the offense with another dozen assists.

Thoene provided defense, reaching 10 balls, while Chadez and Brooklyn Roadenbaugh had seven digs each.

Chadez and Bailey Daugherty picked up two blocks apiece.

After the crucial loss to Ambrose, Amy Chadez looked toward the stretch run and the 2A District III Tournament.

“We must show up and play with high energy and implement the plans we practice in order to compete in our very competitive league,” Chadez said. “We were disappointed with our effort and the outcome and hope to see them again in the district tournament.”

Near-PR puts Melba’s Manzer in Ward top 10

Owyhee girl captures 25th

Ravio Manzer flirted with a personal record for the second time in as many outings Thursday, taking ninth in the Gary Ward Invitational.

The Melba High School senior finished the 5-kilometer course at Lakeview Park in Nampa in 16 minutes, 43.1 seconds — only .08 of a second off the career-best time he turned in while finishing 10th in the Bob Firman Invitational five days earlier at Eagle Island State Park.

Owyhee County’s Brooklyn Dayley clocked in with her best time of the season to take 25th in the girls’ race at the Gary Ward. The senior paced Melba’s contingent at 21:01.34.

Other girls’ top-100 finishes:

- Eliza Svedin, sr., 61st in 23:18.8

- Owyheean Hayden Higgins, so., 72nd, 23:34.05
- Millie Edwards, fr., 75th, 23:47.93
- Josie Hansen, jr., 78th, 24:00.35
- Ellie Crimbchin, so., 83rd, 24:16.12

Three Melba sophomore boys were in the top 100:

- Jack Cazier, 69th, 18:34.95
- Isaiah Shoemaker, 70th, 18:35.03
- Raziel Manzer, 86th, 18:59.64

Junior Carsten Volkers just missed the top 100, taking 101st in 19:23.98.

Two sophomores produced two top-100 finishes among three Adrian boys:

- Keegan Johnston, 88th, 19:06.94
- Brady Ineck, 100th, 19:23.62

Adrian sophomore Grayson Cleaver was 110th in 20:01.52.

Trojans take scenic route at meet

Homedale High School’s cross country athletes took a spin around the lake Thursday in Cascade.

Senior Bobby Christensen finished 10th in the boys’ 5-kilometer race, completing the Rambler Lake Run course in 19 minutes, 0.4 seconds.

Sophomore Hannah Babineaux collected the Trojans’ highest finish in the girls’ meet, covering the 5K in 28:46.2 and crossing the line in 43rd place.

Sophie North, another 10th-grader, established her personal record at 32:53.5 and finished 53rd.

The rest of the boys’ results:

- Brody Johnson, fr., 37th in 21:29
- Jesus Monreal, so., 65th, 23:24.1

Homedale High School seniors Cory Williams and Troy Tiddens were crowned this year's king and queen last Wednesday during the homecoming pageant. Williams and Tiddens' court included Jamie Hastings, Jamie Nielsen, Adam Villanueva and Andrea Bideganeta.

Revitalization committee to ask city for LID

The Homedale Revitalization Committee will ask the city council for a local improvement district assessment of \$74,500 to help fund improvements to Main Street and East Idaho Avenue.

The project, expected to begin next July, includes a resurfacing job of both roadways and the installation of curbs, gutters, trees and decorative streetlights to enhance the business district.

Members of the committee will circulate petitions to the business owners to be included in the LID, for presentation to the city council. The aim of the project, spurred by fears the Highway 95 bypass route will devastate the local economy, is to attract tourists and new businesses to a town some believe is slowly dying.

Not all city property owners are enamored of the plan, however, saying they believe an LID expense would be an unfair burden upon those who have a higher amount of front footage.

Jim Keller, of Keller Associates, the engineering firm hired by the city for the revitalization project, presented three options to choose from.

Option one includes new curbs, gutters and streetlights; option two would add decorative brick pavers to be placed between the sidewalk and curb, and option three includes 24 conversion corners scattered along Idaho Avenue and Main Street.

All three options would retain as much of the existing sidewalks as possible. Main Street would be widened to 60 feet from Idaho Avenue to Utah Street, and to 36 feet from there to the south end of the bypass, with eight feet devoted to an asphalt strip for bicycles and pedestrians.

Fire district installs repeater

The new repeater for the Homedale Rural Fire District was installed last Tuesday on top of the Homedale water tower. The unit is designed to allow volunteer EMTs and firefighters to communicate with each other with their hand-held radios.

Before the repeater was installed, volunteers who live outside of the city limits could not communicate with each other, because the radios did not have enough range. With the repeater, volunteers are able to talk to each other from all over the valley.

Mick and Jeff Berger from Intermountain Communications installed the repeater Tuesday.

"We plan to use the repeater for county-wide communication," Paul Akichika, ambulance member, said.

The jackets were given by the members of the football team and coaches.

Hwy. engineer meets with city over signal light

City Council held its regular monthly meeting Monday evening with Mayor George Murray presiding. Councilmen present were Norman Tolmie, Kenneth Metzger, Mike Kelly, and Allen Blessing.

The agenda included:

—Signal Light. W. W. Sacht, district engineer, Idaho Department of Highways spoke to the council in regards to the installation of a signal light at the intersection of Highways 19 and 95. A signal light has been programmed for installation sometime in 1975. Estimated cost of the new automatic loop detector type signal is \$18,000 with state paying $\frac{3}{4}$ cost and City the other $\frac{1}{4}$. Sacht recommended the City give some serious thought to parallel parking.

—Park. Councilman Tolmie reported work was progressing on the second approach at the park.

—Street Lights: Clerk instructed to contact Idaho Power for installation of street light at 6th and West Arizona and 5th and Arizona.

Dr. Cegnar takes teaching post at U of I

Dr. William S. Cegnar has accepted a post doctoral fellowship at the U of I which involves teaching a class of anatomy and physiology, and doing research on the "walk calf syndrome." He will also be working on his Master's degree.

He is the son of Mr. and Mrs. John J. Cegnar, a 1964 graduate of Homedale High School and attended the U of I. He graduated from Washington State University at Pullman in 1972 with Doctor of Veterinary medicine degree.

The past year he was employed by Dr. Ronald Pottenger at Owyhee Veterinary Clinic.

Local church ministers indicate busy schedule

The new sign on the highway says "Welcome to Homedale Churches," and lists their names.

Ministers are busy people, and their names may not often appear in the news. Here are some of the activities of Homedale ministers, contacted recently:

Rev. Pharris Hughey, Baptist: "I went to a meeting at Central Point, Ore., (near Medford) on Friday and Saturday. Saw the Wayne Hardings, formerly of Homedale."

Rev. David Turnmire, Christian and Presbyterian churches: "The most exciting thing I did last week was go to the state pen."

Bishop Nolan Taggart, LDS: "The big thing coming up now is the general conference at Salt Lake City, Oct. 5-7. It will be broadcast over TV."

MILITARY ORDERS.—The following are extracts from Special Orders No. 133, issued at Head Quarters, Department of the Columbia, Portland, Oregon, Sept. 18, 1868:

Captain A. H. Nickerson, 23d Infantry, will proceed without delay to Fort Vancouver, W. T., and assume command of Company "F," 23d Infantry, now under marching orders for Camp Steele, San Juan Island, W. T.

Special Orders No. 132, current series, from these Head Quarters, directing Brevet Major George Williams to proceed to Camp Steele, San Juan Island, W. T., is hereby revoked.

First Lieutenant William C. Manning, Adjutant 23d Infantry, is hereby relieved from duty at Fort Colville, W. T., and will proceed without delay to Fort Vancouver, W. T. and take charge of the records, &c., of his Regiment.

KEEP COOL.—Messrs. Geo. Gans & Co. are making preparations to put up an unlimited quantity of ice this Winter. Mr. Gans is an old hand at the ice business, and will furnish the article cheap enough next Summer, so that everybody here can afford to keep cool.

We also learn that John Cassidy is preparing to put a large quantity of ice for his own use next Summer.

WATER WORKS.—We have frequently urged upon this community the necessity of organizing some plan for the protection of our property from fire, and now, without arrogating to ourselves more than is really due, we are pleased to say that our suggestions have been accepted and acted upon almost to the letter. A joint stock company has been organized with a capital stock of \$50,000, and officers elected, the trustees for the first three months being Messrs. J. F. Dye, W. F. Summercamp, F. Rogers, P. Donnolly and W. B. Crane, an array of names which of itself is sufficient to convince the public that no child's play is meant, and fully as convincing a proof is the fact that \$10,000 has already been subscribed on the Company's books. The Company has purchased the old Knickerbocker ditch of Meek & Gove, which covers the first right to 150 inches of water in Jordan Creek and Sawpit Gulch. It is the intention of the Company to commence operations immediately and finish as much of the work this Fall as possible. They will build their main reservoir on Third Street, above Clinton, a position to cover the whole town, the main pipes to run through Jordan and Washington sts. with hydrants at each principal corner. They expect to finish the mains through Washington and probably two or three blocks on Jordan before Winter. The reservoir will be supplied at first with water from Long Gulch, and eventually from the Knickerbocker ditch as soon as it can be brought in on a higher grade.

This enterprise should be liberally encouraged by every person who is interested in the property of the town. The stock may not at present be a paying investment in itself, and we do not suppose that those who are engaged in it expect it to be, yet what is the consequence of a few hundred dollars compared to the real security it will afford, and we have no doubt that it will in no long time become a paying institution. The thing has now assumed shape. It is under way and will be carried to completion. Then let those who study their own interests give it all the aid they can that it be done thoroughly.

Our elections

Ranked choice voting quashes upstarts, keeps elitist power

In a recent op-ed (“Jones: The battle for the soul of the Idaho Republican Party has been joined,” Sept. 24, Idaho Press), one of the leading proponents of the Ranked Choice Voting initiative said that it “will break the stranglehold of the upstarts over who gets elected to public office.” The op-ed continued that the initiative would help “traditionalists” get elected over the “upstarts.” The disdain in this op-ed for the “upstarts” — people not part of the “traditional” establishment — is palpable.

The preservation of American freedom is premised on the idea that we get to choose our leaders. This government, a government “of the people, by the people, and for the people,” is comprised of “We the People.” We get to decide who leads us, not an elite ruling class. Anyone should be able to run for office, make their voice heard, and step up to lead their community.

The Left, however, does not like the direction Idaho is headed. What was once a politically volatile state is now a state that consistently votes for traditional family values at the ballot box. So, of course, the Left doesn’t like the ideals of those in office. But instead of challenging these ideas, they want to change the game. To them, revamping our entire election system is necessary to advance their ideals. It is as if someone wanted to reset the board during the middle of a

When the death notice for my sister Paula Ness arrived at your paper earlier this month, a very nice and attentive person added details about her life and schools in Owyhee County. Thank you so much for doing this!

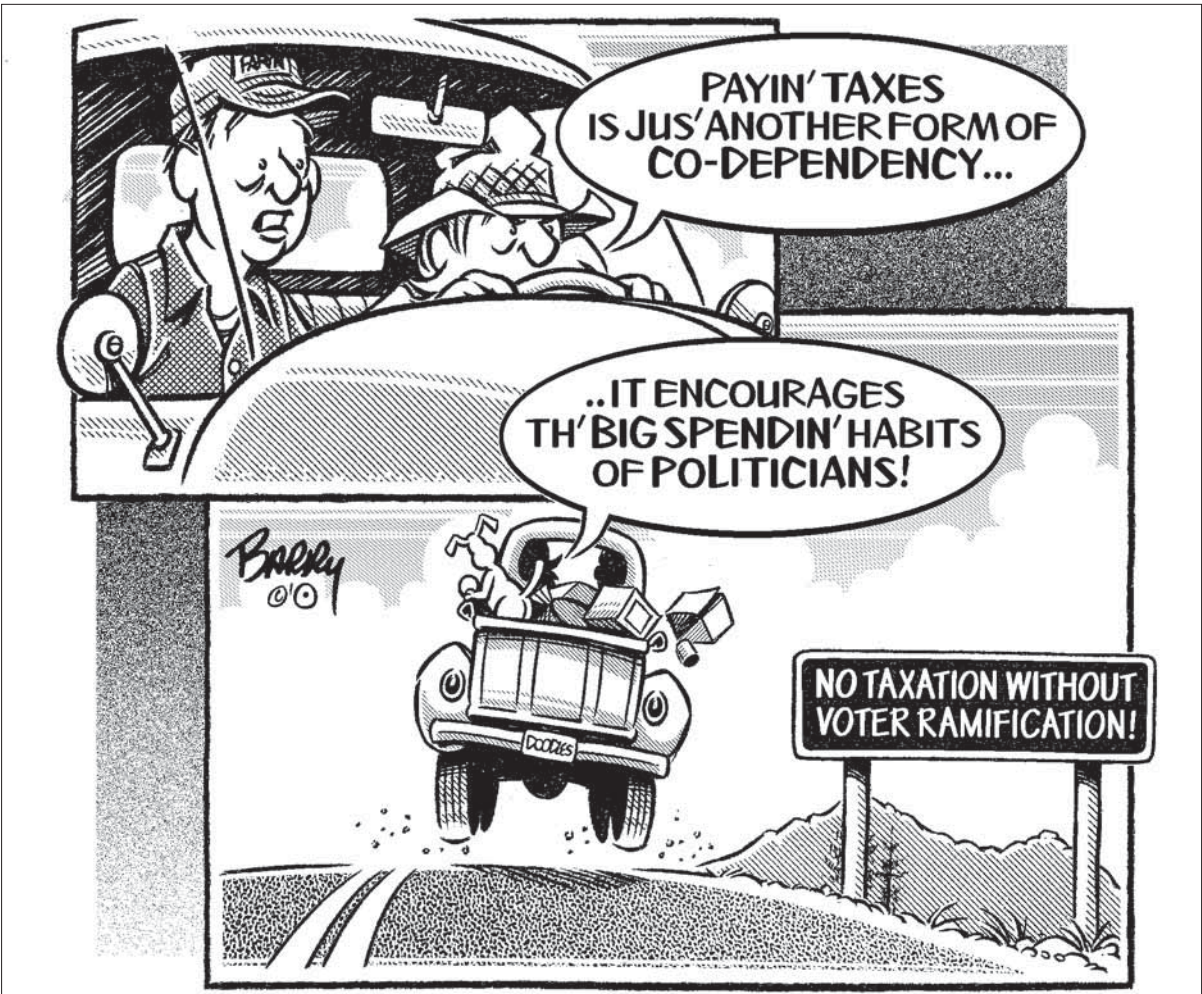

My sister loved living there again for the last years of her life.

The Owyhee Avalanche often finds death notices online that are not sent to the newspaper for publication but do include local information for someone who has passed. There is no cost to publish a death notice in the Avalanche, and we encourage families wishing to let people know about the passing of a loved one who has ties to Owyhee County to ask the funeral home to submit a death notice or to submit one on their own.

IRS must better protect Idaho taxpayers

Taxpayers have certain fundamental rights when it comes to dealing with the Internal Revenue Service (IRS), including the right to privacy and the right to confidentiality. From serious breaches of confidential taxpayer data and document mismanagement to poor cybersecurity training and infrastructure vulnerabilities, the IRS has a decades-long and troubled history with adequately protecting American taxpayers’ information. One particularly egregious event in recent history was the unauthorized disclosure of private, legally-protected IRS data to online news source ProPublica — an incident of which little has been revealed, despite an ongoing, years-long investigation by multiple agencies.

As Ranking Member of the Senate Finance Committee, I asked the Government Accountability Office (GAO) to review the data security practices used by the IRS to ensure the agency was implementing robust processes and procedures to fully protect tax filers’ personal data. GAO recently released its report, and the findings are not reassuring. The report highlights new and longstanding unresolved security risks surrounding the safety of confidential taxpayer information at the IRS. The report identifies dozens of security weaknesses at the agency, many of which have been known by the IRS for years, and makes multiple recommendations aimed at safeguarding and protecting taxpayer information.

Among the GAO report’s findings:

- Since 2010, the IRS has failed to implement 77 GAO recommendations targeted at safeguarding taxpayer information, including multiple recommendations that have been open for more than seven years and two high priority recommendations that would “significantly improve” data protection.
- The IRS’s ongoing failure to act upon all GAO and

Charity of shelter develops major dilemma for couple

Dear Dave,

About a year ago, my husband and I offered an empty house we own to a young man at our church, who had lost his home and everything he owned in a fire. He has taken good care of the place, but has made no effort to pay rent. We don't need the money, because we're in good shape financially, and we were thinking about selling the other house, anyway. I'd like to simply write it off, and gift the home and title to this young man, but my husband feels he owes us something for putting a roof over his head all this time. What are your thoughts?

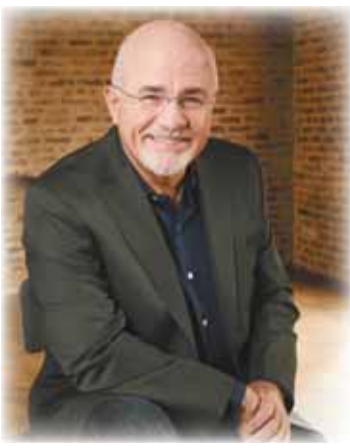

— Penny

Dear Penny,

I think you and your husband have good hearts. I also think you handled this situation poorly.

From the sound of things, you put him there originally on a charity basis, and now your husband wants to change the deal. You didn't set up any kind of rental agreement, but your husband feels you two are owed something? I'm sorry, but no. That's on you.

At this point, you have some big decisions to make. Were you providing free housing to someone who was struggling, or were you providing a free house to someone who was struggling? I understand this

DAVE Says
by Dave Ramsey • www.davesays.org

young man experienced a terrible tragedy. But at the same time, I'm not hearing lots of evidence that he's putting

his life back together. If after this long, the guy's not back on his feet and out on his own, you may be enabling bad behavior on his part.

Now, if you want to gift him the house, that's your decision. If you want to approach him with a rental agreement or sale proposal to which all parties are amicable, that's OK, too. If neither of these ideas is in the cards, I'd make sure to sit down with this young man and have a gentle — but firm — talk. I'd let him know I had been happy to help him over the past several months, but that he needs to start moving forward with his life. I'd set a very reasonable and patient timeline

for a move-out date, and let him know once that time is up, I'll be selling the house.

That's fair to everyone concerned.

✓ Choice: Successful initiative would ruin Idaho's electoral tradition

From Page 14

chess game after realizing they are losing the game. The ballot initiative attempts to change the rules of the game, implementing a voting system that complicates elections and makes it harder for candidates who don't know "how the game is played" to win elections over career politicians. Or, as its proponents say, the initiative makes it easier for "traditionalist" candidates to quash "upstarts."

Elections should be easy, transparent, and accessible. The Ranked Choice Voting initiative seeks to alienate voters who don't know how to "play the game." It also seeks to alienate candidates who aren't a part of the system. And, most concerning of all, Ranked Choice Voting almost always gives the electoral victory to the candidate who does not get the most votes.

In Idaho, we believe everyone has the right to have their voice heard. In Idaho, we believe that the candidate who gets the most votes wins. In Idaho, we believe every vote matters. The initiative opposes these values by making it harder for all of us to vote, giving elections to the candidates who don't get the most votes, and discarding ballots from voters who aren't trained in exactly how Ranked Choice Voting works.

Election letters

The Owyhee Avalanche will accept letters to the editor pertaining to the Nov. 7 city and taxing district elections until noon on Friday, Oct. 27.

The usual letters to the editor guidelines apply, including letters must be no more than 300 words and letters must include contact information, including a phone number, of the letter-writer. Submit by:

- Email to jon@owyheeavalanche.com
 - Mail to P.O. Box 97, Homedale ID, 83628
 - Or drop off at the Avalanche office at 19 E. Idaho Ave., in Homedale
- For more information, call (208) 337-4681.

The idea that our electoral system should be changed to prefer a political establishment class over average "upstarts" is concerning. Not only concerning but extreme. The true extremists are those who want to change the game to favor a ruling class. They are not those who want to preserve Idaho's long-standing

and proven election system.

Proponents of the initiative point to a handful of formerly elected Republican outliers who support the initiative. But they fail to acknowledge that it is the opposition to Ranked Choice Voting that is widespread and bipartisan.

Elected officials in both parties across Idaho and America oppose Ranked Choice Voting. They have for years because it complicates our election systems, increases costs, and disenfranchises voters. That is why the initiative must fail.

Idaho's election system works. I say this as a candidate who has both won and lost elections in Idaho. That's how our elections are supposed to work. People have the chance to make their voice heard, and the candidate with the most votes wins. Ranked Choice Voting undermines these fundamental Idahoan values. This initiative has no place in Idaho.

— Tammy Payne of Grand View is the Owyhee County Republican Central Committee chairwoman. The op-ed to which she refers was written by former Idaho Attorney General (as a Republican) and state Supreme Court Justice Jim Jones and published by the Idaho Press on Sept. 24.

✓ Taxpayers: Several deficiencies in IRS data security go unmitigated

From Page 14

taxpayer data that would allow it to identify persons who have accessed such data without authorization.

• Two IRS research and analysis systems with access to troves of taxpayer data and thousands of active users, including non-federal employee researchers, retain taxpayer information far longer than authorized by IRS Records Control Schedules, taking them out of compliance with National Archives and Records Administration recordkeeping requirements.

• The IRS only recently implemented key safeguards to protect taxpayer information. For example, it was not until July 2022 that the IRS began limiting the functionality of its workstations and laptops to prevent persons from removing IRS data from its network by saving it to external devices.

• Vast discrepancies exist between the rate of data protection training completed by IRS employees and contractors, largely because of the IRS not setting training completion goals for contractors.

In addition to highlighting the dozens of prior recommendations, the GAO reported the IRS has thus far failed to take comprehensive action to "significantly improve IRS's ability to safeguard taxpayer information." The GAO also makes 15 new recommendations to the IRS, including to: establish agency-wide training completion goals for contractors; maintain comprehensive inventory of systems that store taxpayer information; and risk-assess its methods of data transfers to contractors.

Now, in addition to tax collector and enforcer, the agency wants to act as tax preparer, despite the

evidence showing it is unprepared to be trusted with such responsibility. Instead of devoting time and resources to developing new federal programs that would collect and expose even more sensitive information from taxpayers, the IRS should instead focus on addressing its security weaknesses and improving its woeful customer service. Protecting taxpayer privacy must be a top priority for the IRS, and I will keep fighting to hold the agency to a higher standard for Idaho taxpayers.

NOTICE OF HEARING ON NAME CHANGE IN THE DISTRICT COURT FOR THE THIRD JUDICIAL DISTRICT FOR THE STATE OF IDAHO, IN AND FOR THE COUNTY OF OWYHEE CASE NO. CV37-23-304 IN RE: RAY PAUL NICHOLS.

A petition to change the name of Ray Paul Nichols, now residing in the city of Marsing, State of Idaho, has been filed in the District Court in Owyhee County, Idaho. The name will change to Ray Melhouse Johnson. The reason for the change in name is: I was adopted at 17 yo but never used my adopted name, I only ever used my birth name. I need my birth certificate changed back to birth name.

A hearing on the petition is scheduled for 3:00 o’clock p.m. on November 1, 2023 at the Owyhee County Courthouse. Objections may be filed by any person who can show the court a good reason against the name change.

Melba High School had a busy but successful volleyball week.

The Mustangs exacted revenge against coach Curtis Johnson’s former team on Sept. 26.

Melba won three consecutive sets, including the decisive stanza by the slimmest of margins, to beat 2A Western Idaho Conference leader Nampa Christian, 16-25, 25-16, 25-17, 25-23.

The win inside Potter Gymnasium allowed the Mustangs (15-8-1 overall, 3-0 in conference) to remain in second place behind Cole Valley Christian.

Thursday: Melba def. The Ambrose School, 3-0 — Jollee Kelly was an all-around terror in the second of back-to-back matches in which the

entire Mustangs roster got on the court.

Kelly drilled 17 kills and got 10 digs in the victory.

Darby Lowber notched five kills and a block at the net.

“Great win tonight,” Johnson said. “Everyone got to play.”

Last Wednesday: Melba def. Emmett, 3-1 — Kelly posted another big match, and the Mustangs rebounded from a third-set loss for a 25-13, 25-22, 22-25, 26-24 non-conference victory.

Kelly had 15 kills and 20 digs as every varsity player saw action again.

Ella Stosich served three aces and sparkled on defense with 34 digs.

Emma Dillbeck dished 20 assists and served two aces.

High School Rodeo Comes to Homedale

Photos by Cherie Rolland / Cherie Rolland Photography

Fall rodeos wrap up

Damp and chilly conditions didn't deter young rodeo athletes from competing in the second weekend of the District 2 high school and junior high school season at the Owyhee County Fairgrounds in Homedale on Saturday and Sunday.

The rodeo season is on hold until spring, but the second reined cow horse competition takes place on Nov. 5 at Idaho Horse Park in Nampa.

Heeler Jalee Maestresjuan of Jordan Valley teamed with header Sierra Telford of Huston for a runner-up run of 16.86 seconds in Saturday's team roping.

Adrian's Clara Seiders roped her calf in 3.03 seconds to finish runner-up in Sunday's breakaway competition.

Above: Jordan Valley's Meg Eiguren finished third in Sunday's breakaway roping with a 3.08 effort. **Right:** Another Adrian competitor, Collins Mulrony, captured second place in ribbon roping with his partner, Blaze Painter of New Plymouth. They ran a Sunday time of 13.15.
